Ordering Details

Product Code	Micron (µ)	Length (")	Capacity (litres)
AOW2	0.5	8	3,800
AOW4		13	7,600
<div> <div></div> <div>0.5</div> <div></div> </div> <p>e.g. AOW2-0.5-8</p>			

Packaging	AOW2	AOW4	ACH1-FH1-3/8
	6 at 5kg	6 at 8kg	12 at 1.5kg

Features & Information

- Simple and quick to install the AOW range of food service cartridges protects and extends the life of equipment from scale, ultimately reducing servicing costs, machine downtime and saving energy costs
- Reduces chlorine, taste and odour along with offensive contaminants that may affect water quality and damage equipment
- Featuring the Everpure 1/4" turn head, the SPECTRUM AOW2 and AOW4 offers a reliable economical retrofit alternative to expensive cartridge replacements. Or for first time installations select ACH1 filter head
- Manufactured to reduce lead levels to below 10ppb and to deliver 0.5 micron filtration, these cartridges will reduce serious health contaminants such as Cryptosporidium and Giardia cysts and asbestos fibres
